

# MAKE YOUR HOME A CYBER SAFE STRONGHOLD

-  Wi-Fi: always change the default router password
-  Install antivirus software on all devices connected to the internet
-  Review your apps' permissions and delete those you don't use
-  Choose strong and different passwords for your email and social media accounts
-  Back up your data and run regular software updates
-  Secure electronic devices with passwords, PIN or biometric information
-  Review the privacy settings of your social media accounts

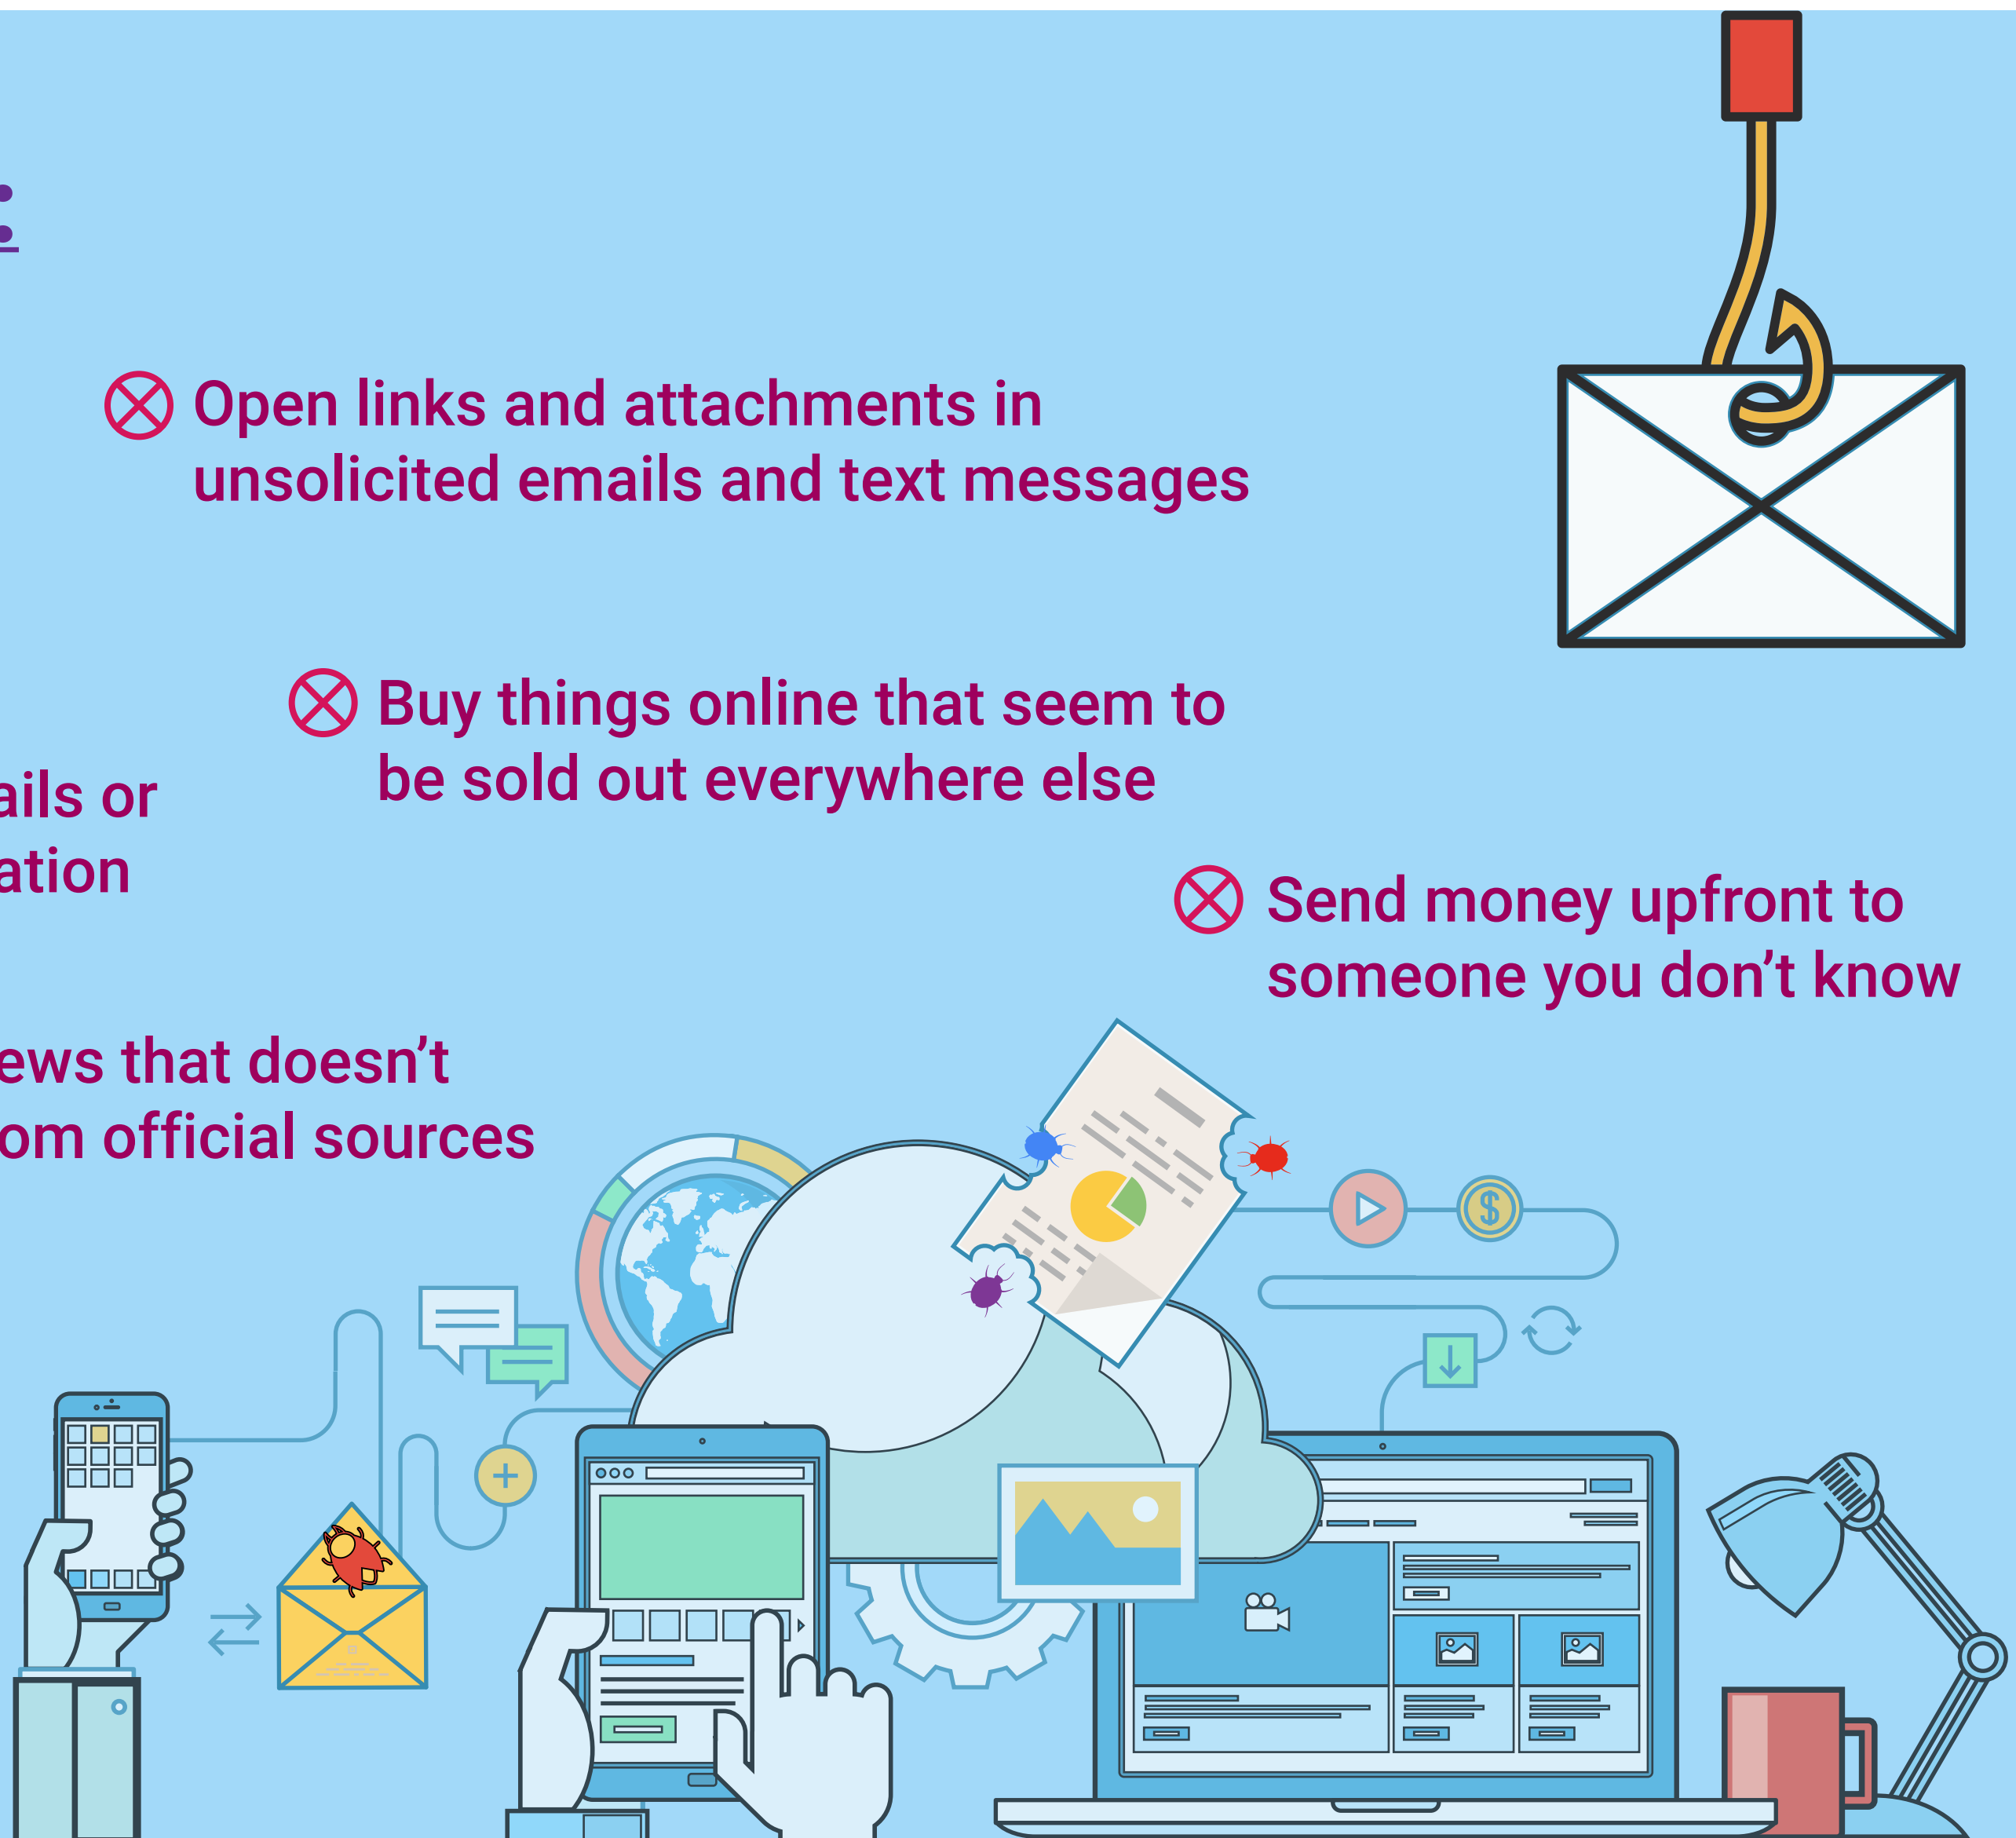

## Online shopping safety tips

-  Buy from **reliable** online vendors and check individual ratings
-  **Think twice:** if an offer sounds too good to be true, it probably is
-  Use **credit cards** when shopping online for stronger customer protection
-  Check your bank account often for **suspicious activity**

## Stay alert and don't:

-  Reply to suspicious messages or calls
-  Open links and attachments in unsolicited emails and text messages
-  Share your bank card details or personal financial information
-  Buy things online that seem to be sold out everywhere else
-  Share news that doesn't come from official sources
-  Send money upfront to someone you don't know
-  Make donations to charities without double-checking their authenticity

## Cyber safety with children

Check the **security** and **privacy** settings of smart toys

Change the default factory **password** and keep software up-to-date

Use **parental controls** to safeguard your child's online activity

**Talk** to your child about cyber safety. **Listen** to their online experiences and **explain** to them the importance of being just as safe online as offline

### REMEMBER

Follow trusted sources for up-to-date factual information. If you become a victim of cybercrime, always report it to your national police.
